## Elements Dinner Evening Menu

5 June 2024, 6-9pm

The elements of nature are fourfold, wind/air, water, earth, fire. Without these, the world could not function in a perfect and orderly fashion. The wind rotates the clouds to form the rain, that nurtures the earth to grow vegetation. fruits, flowers and wood that kindles the fire.

Join us for an evening and experience the flavors, textures and aromas of these elements.
